

# CHW Advance!

CHW Advance! is a program funded by the Health Resources and Services Administration (HRSA) to support the CHW workforce in New Hampshire and Vermont with well-trained CHWs who represent underserved populations most in need of their services.

## CHW TRAINING

CHWs can participate in 7 or 9 week Core Competency Training that builds skills based on the CHW Core Consensus Project (C3).

## CHW UPSKILLING

As part of CHW Advance! you are eligible to participate in professional development and upskilling as a current CHW!

## CHW APPRENTICESHIP:

The CHW Apprenticeship Program is an opportunity for CHWs working in NH to “earn while they learn”. CHW Apprentices must be employed by a sponsoring organization.
