2.0 contact hours. Activity

Number: 1229

Physicians

The Southern New Hampshire Area Health Education Center designates this live activity for a maximum of 2.0 *AMA PRA Category 1 Credit(s)*[™].

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Adolescents need a variety of adults in their lives. Health care providers play an important role in promoting health for teens as they develop their health behaviors early in life. Join us to learn more about the importance of wellness visits for adolescents.

Target Audience

School nurses, nurses, nurse practitioners, pediatricians, family practice physicians, physician assistants, nurse educators, medical assistants

Learning Objectives

After this session, participants will be able to:

- Increase knowledge on the importance of annual wellness visits for adolescents.
- Increase awareness of risk factors prominent in the adolescent population.
- Incorporate communication skills learned to encourage adolescents to attend annual wellness visits.

Faculty: Lyndsay Goss RN, MSN

Registration - Available Online!
