The National AHEC Organization and Southern NH AHEC are pleased to provide you with this free continuing education opportunity to learn more about HPV vaccination and the need for a strong recommendation in girls and boys 11-12 years old. This presentation includes up-to-date information on HPV infection/disease, the HPV vaccine, and ways to successfully communicate with patients and parents about it.

Jointly provided by Postgraduate Institute for Medicine and the National AHEC Organization
Funding for this self-study guide was made possible by the Center for Disease Control and Prevention Grant No. 1H23IP000960-01 to the National AHEC Organization.
