

# National AHEC Organization HPV Immunization Project

How do you promote webinars? Have you thought about changing up your message when you target different groups? Try this message for nurses and nursing groups in your area:

*Be a Cancer Fighter! The power to prevent cancer is in your hands!*

*We already know that as a nurse you have certain superpowers but did you know you also have the power to prevent cancer? Receive free nursing continuing education credit at our next webinar, "HPV Vaccination: Give it a Shot (or 2)" at 2 p.m. ET, Tuesday, July 25. Find out more about the HPV vaccine and the scientific reasons behind the recommendation to vaccinate at age 11-12 so that you can flex your superpowers for good.*

**Webinar: July 25<sup>th</sup> 2 pm**
