

64-Hour Health Interpretation Training

22 Bridge Street, 2nd Floor
Manchester, NH

Tuesdays & Thursdays

October 3 – December 12, 2017

5:30 – 9:00 pm

This is a comprehensive 64-hour program that teaches interpreters to work in health care, educational, social services and some legal fields. The curriculum includes: language access law, the role of the interpreter, the protocol of interpretation, the national code of ethics & standards of practice, memory development, basic anatomy and medical terminology, vocabulary development in both languages, impact of culture on interpretation, resources for interpreters, assisted role-plays, groundwork preparation for the national certification, and more. **The cost for the class is \$750. There is a partial scholarship of \$300 for students who register & pay \$100/fee before September 20, 2017 (total cost = \$450).** Registration fee, language proficiency screening, the manual and exercises/role plays are included in the cost. It is recommended that students bring to the class bilingual medical dictionary/glossary and atlas of anatomy or have a good on-line bilingual resource. Each applicant will be screened for English and target language proficiency. Attendance at all classes is mandatory in order to receive a certificate of completion.
