Announcing Keynote Speaker — Dr. [Arjun Srinivasan](#) of CDC Division of Healthcare Quality Promotion

Target Audience:

The issue of antimicrobial stewardship is one that reaches across disciplines and healthcare types. We want our first annual NH Antimicrobial Stewardship Symposium to reflect that. This symposium is targeted toward physicians, nurses, pharmacists, veterinarians, dentists, laboratorians, public health professionals, healthcare administration, and any other potential leaders in stewardship in all healthcare settings.

Further details and registration information to follow

Registration will be open in late March/early April and we will disseminate more information at that point. Details about the symposium, as well as registration information, will be posted on our website. To access, click [here](#).

For additional questions: Contact the NH Healthcare Associated Infections Program at haiprogram@dhhs.nh.gov, (603) 271-1058

Funding for this conference was made possible (in part) by the Centers for Disease Control and Prevention. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services, nor does the mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.
